Testing Center

As an official international testing center, we provide a secure, professional, and supportive environment for all candidates. Our testing services are divided into two main categories:

♦ The IELTS Test

IELTS on Computer (IOC)

Take your IELTS test with a modern computer-based experience.

♦ Professional Certifications

We are expanding our testing portfolio to include prestigious professional qualification exams that validate expertise across multiple industries:

RISERHUB

Rise and Shine

is an accredited center by

CPD UK

It is a dynamic training and consultancy center that brings together learning, creativity, and personal growth.

Here, both adults and young learners can explore their passions, develop new skills, and grow through engaging workshops and inspiring courses.

We offer a wide range of programs in teacher training, languages, self-development, business, education, NGO management, and arts.

RiserHub also provides consultancy services for individuals, companies, and NGOs in strategy, finance, human resources, education, and digital transformation.

At RiserHub, we believe everyone deserves the chance to learn, grow, and rise.
